# Coventry and Warwickshire Hospital.

# REPORT

FOR THE YEAR ENDING DECEMBER 31ST, 1928.

THE Board of Management submit their Eighty-seventh Annual Report to the Governors of the Hospital, giving details of the work entrusted to them, which work they have endeavoured to maintain at the high standard set in the past and to extend as far as possible to meet the needs of the City and district.

## In-Patients.

There was an increase in the number of Patients admitted to the Hospital, viz., 4,800, as compared with 4,615 during the previous year, and we are pleased to report that a greater percentage of these Patients were sent out cured.

The following Table shows the comparative result of their treatment:—

			1927	1928
Discharged Cured	• • •	•••	3449	 3648
,, Relieved			302	 247 -
,, In Statu Quo	•••	• • •	49	 44 •

Treated in V.D. Clinic			237	 220
On the books 31st December		• • •	252	 262
			4615	4800

It is still a matter of some concern that the Waiting List remains very high, though the opening of the Alcock Convalescent Hospital hould relieve the situation somewhat.

# Daily Average.

Consequent upon the before mentioned greater number of Patients the daily average number of In-Patients advanced to 260 for the year.

#### Out-Patients.

The value of the services given by our Honorary Physicians and Surgeons as Consultants is apparently increasingly recognized, if the growing number of Patients attending the Out-Patients' Department may be taken as an evidence. It will be seen from the following figures that the number of Patients attending all the Clinics has in every case increased:—

			1927		1928

# Average Costs.

The average costs of treatment of both In and Out-Patients varies very slightly when compared with the previous year :—

#### Income.

The increase in the General Income apart from the Hospital Carnival proceeds is satisfactory up to a certain point, but it is a matter for some anxiety that the income has not been sufficient to meet the expenditure. While we appreciate to the full all the help given by our many supporters we do ask that they, and others who may not have realised that their help is needed, will bear this in mind and also the fact that we now have the added expense of the Alcock Convalescent Hospital.

						-	

Reviewing the different sources from which the income was derived, one realizes how representative the supporters are of all the different classes in the City and districts.

It would require much space to mention each individually, but we can thank many through the different Organisations, particularly:

- (a) The Hospital Saturday Fund, which represents a large body of subscribers to whom the Hospital owes a great debt of gratitude. In 1927 £29,000 was subscribed of which £11,014 was the Carnival amount. In 1928 £22,500 was subscribed of which 3,000 was the Carnival amount, therefore, apart from the Carnival efforts their contributions this year were £1,500 in excess of 1927. Without their help year by year the carrying on of the work would be a serious consideration.
- (b) The Hospital Carnival Committee for whose efforts hearty appreciation is felt. The Committee expressed an opinion that they could not realise a record amount the year following

their great efforts for Mr. W. R. Morris's £15,000 and yet they have in 1928 realised the substantial amount of £3,000. It is marvellous the ways in which they organise so successfully this yearly pageant.

(c) The Ladies Auxiliary Committee whose Annual Collection amounted to £539 13s. 1d., which was slightly in excess of the previous year; the Linen League and Sewing Guild who give valuable help by gifts of Linen and Garments.

To all these and the many other oganizations and private subscribers, we would record our hearty thanks.

# Legacies.

Several new Legacies have been received during the past year and others notified, viz.:—

Mrs. M. Randle (residue of her Estate)	• • •	£566	0	0
Mr. W. J. Wormell, J.P	• • •	£500	0	0
Mr. J. T. Hancox	• • •	£20	0	0
Miss Sutton	• • •	£1,000	0	0

# Expenditure.

It will be seen from the following tables that the expenditure was rather greater during the year under review than the preceeding year, accounted for largely by the greater number of Patients treated, and the larger Staff necessary since the opening of the second Operating Theatre, also the increased work in other Departments. That the expenses are carefully watched is evidenced by the average costs.

With regard to the extraordinary expenditure. It was found necessary during the year to instal new machinery, some to replace that which was worn out and some extra machinery required, viz., a new Washing Machine in the Laundry, a new set of Calorifier Tubes in the Boiler House, a new Steamer and set of Gas Ovens in the Kitchens. The cost of erecting the Lift Well for the second Lift is charged to this year's accounts. Further it was decided after careful consideration, to cover certain hot water pipes with

a Lew to conserving heat and saving coal; the paths and walks around the Hospital grounds also have had to be repaired. Also owing to Extensions it was necessary to have an entirely new Internal Telephone system, the old system not admitting of any additional lines. These were all costly but essential items of expenditure.

# "Egg Week" and "Pound Day."

Considerable financial help is received from the holding of a "Hospital Egg Week." Last year the collection from all sources totalled 40,038 eggs. We estimate that the saving in expenditure on Eggs would be approximately £200.

"Pound Day" also brings in much help. Last year's "Pound" gifts amount to  $3\frac{1}{2}$  tons of goods.

# Alcock Convalescent Hospital.

The past year saw the opening of the Alcock Convalescent Hospital, previously reported.

After internal alterations there is accommodation for 40 Patients (20 Men, 16 Women and 4 Children) with quarters for the Nursing and Domestic Staffs.

Before the Hall could be finally put into use as a Hospital new Water Mains and Sewage Plants were installed. The total cost of the purchase, alterations and equipment has been met from the legacy of Mr. John Alcock to whose Trustees we are indebted for advice and assistance in making this valuable and beneficial extension possible.

The Hospital was opened to Patients on the 30th November last, but was officially opened on January 28th, by the Countess Haig, upon the occasion of her visit to Coventry to see the War Memorial unveiled by her husband, the late Earl Haig; an honour appreciated by your Board.

#### Gifts.

Many very welcome gifts have been made to the Hospital during the past year, in fact a week never passes without some gifts being received that it would be impossible to enumerate them all.

While we are grateful to one and all of the various donors, there are perhaps one or two gifts which should be specially mentioned, e.g., Mr. Harry Johnson, of Courtauld's, gift of a Daimler Car, fitted with an ambulance body to meet our needs in regard to the transport of patients to the Alcock Convalescent Hospital; Messrs. A. and F. E. Hanson's gift of a piano and Mr. A. P. Tuck's oak verandah seats for use at the Alcock Hospital; the table for Gulson Ward from the Coventry Unionist Girls' Social Club; also gifts of a Ward Chair, Invalid Chairs, etc., from different sources.

# City Hospital.

In accordance with authority given at the special meeting of Governors, the formal acceptance of the purchase of the City Hospital and grounds for the sum of £65,000 has been given by the Hospital Trustees, and we hope that the final Agreement may be signed at an early date. The Governors will remember that one of the terms of the said Agreement is that the City Authorities undertake to hand over the buildings within five years of the date of the

said Agreement, which entails a responsibility on the part of the Hospital Authorities to raise the £65,000 purchase money within that period.

#### Death of Vice-President.

It is with much regret that we have to record the death of Mr. W. J. Wormell, J.P., one of our Vice-Presidents. Mr. Wormell will long be remembered for the keen interest which he took in the Hospital and his many years of valued services given to it as a Member of the governing body over which he presided as Chairman for seven years. A Bed is endowed to his memory in the Edward Ward.

# Resignations.

Mr. A. J. Makepeace, L.D.S., R.C.S.Eng., the Honorary Dentist to the Hospital for more than 34 years, has, in accordance with Law No. 61, resigned his post and we would take this opportunity of recording our appreciation of his valued services and in doing so we feel sure we are expressing the feelings of the Governors and Patients.

Mr. C. Taylor, L.D.S., R.C.S.Eng., was elected to fill the vacancy caused by his reitrement.

The Hospital also suffered a loss during the year by the retirement of Sister Babbs after 38 years' service as Sister of the Children's Ward. A testimonial was raised as a mark of the Board and Honorary Staffs' appreciation of her services and a pension granted.

## Thanks.

Before concluding this Report we wish once more to record our very sincere appreciation of the valued services rendered by the Honorary Staff to the many Patients sent to them for advice and treatment and to the Resident Medical and Nursing Staffs for their care of the Patients; they truly merit our thanks and it is heartily accorded to them.

We would not forget the willing service given continuously by our Hon. Chaplains, the Rev. Canon R. B. Littlewood, who has been carrying on the work for many years past, and the Rev. Maurice Watts, who was appointed this year. The Press, too, for the continued publicity given to our interests in their columns; Mr. S. T. Peirson, our Auditor, and also the large body of known and unknown friends whose gifts and work for the Hospital is seen in the Income raised to enable us to carry on the work. We would thank them one and all and ask for a continuance of their help in the future.

Finally, we desire to place on record our appreciation of the manner in which the office work of this, one of the largest Provincial Hospitals, is carried on by Miss Hooper and her staff. When the work is invariably carried out so smoothly, the value of the organisation is liable to be overlooked.

On behalf of the Board of Management,

C. D. SIDDELEY,

#### AUDITOR'S REPORT.

17, HERTFORD STREET,

COVENTRY.

18th March, 1929.

To the Chairman and Committee of the

Coventry and Warwickshire Hospital.

Mr. CHAIRMAN, LADIES AND GENTLEMEN,

I beg to report that I have examined the Books and Accounts of the Hospital for the year ended 31st December, 1928, and have certified the accompanying Accounts as correct.

I have seen that all payments have been duly authorised, and Vouchers for same have been produced to me. I have proved the correctness of the Income from Investments and have tested the correctness of the Income from other sources.

I have seen the Securities held by the Trustees and have obtained certificates from the Bank verifying the Balances on the various Accounts.

The purchase of the Alcock Convalescent Hospital has now been completed, and, with payments on account of Alterations, the cost up to 31st December last, amounted to £13,016 12s. 11d., all of which has been defrayed out of the Bequest of the late Mr. John Alcock and the Interest earned thereon.

The Books are well kept and I have received every assistance in my examination of same from the Secretary.

I am, Ladies and Gentlemen,

Your obedient Servant,

SIDNEY T. PEIRSON, F.C.A.

# Be fitted next time

by our Skilled Skilled foot fitters/

IT is a startling fact that to-day nine out of ten people wear ill-fitting Shoes—and from this cause spring most of the foot troubles from which so many suffer.

In the opinion of leading experts, this is due entirely to two reasons. Firstly, that the average shoe shops do not stock sufficient sizes to fit everyone; secondly, that they have not the necessary scientific knowledge to fit the foot correctly.

We announce that our Shoes are stocked in upwards of 56 different fittings in each style, and that our staff are scientifically trained as expert foot-fitters, Demonstrations by X-Rays given Free.

### HOSPITAL SATURDAY FUND,

1928.

Address read at the Annual Meeting of the Hospital Saturday Fund, 14th January, 1929, in St. Mary's Hall, His Worship the Mayor (Alderman A. J. Coventry. Makepeace, J.P., L.D.S., R.C.S.) in the chair.

Mr. Mayor, Ladies and Gentlemen,

When handing over the amount of the Hospital Saturday Collections to the Board of Management of the Hospital, it has been usual to use these words "This amount creates a further record in the history of the movement."

But when we remember that the amount handed over last year was £29,000 (the previous record being £22,625), you will, we are sure, realize that it will be some time before this large amount can be increased. Of the £29,000, over £11,000 came from the proceeds of the Hospital Carnival.

This year the amount received from this source was only £3,000 (there was no special appeal for the Carnival this last year), so you will quite see it was absolutely impossible to increase the ordinary Hospital Saturday Collections to make up the difference, in order to "create a further record."

We very much regret this, because we should have liked His Worship the Mayor, Alderman A. J. Makepeace, to have had the pleasure of handing over a record amount in his first year of office, seeing that he has been connected with the Hospital for so very many years, and has given so much of his valuable time on behalf of the Institution.

We sincerely congratulate him upon the honour which has been conferred upon him, the highest which the City can offer, and we trust he will have good health to perform the many duties he will be called upon to undertake on behalf of his fellow citizens.

This is the 55th Anniversary of the Hospital Saturday Movement in Coventry and we believe, if not the first, certainly one of the first, who started the voluntary weekly collection system for the benefit of Hospitals in the various works, etc., throughout the country.

We also believe that, in proportion to the population, our local Fund stands as high as that of any other town in the world. This fact must be very gratifying to the citizens of Coventry and District generally, and most certainly is to the members of our Hospital Saturday Committee.

It is obvious we could not obtain the success we do without the help of everyone in the City and District, both directly and indirectly, and we very much appreciate this continued help.

To enumerate all the sources from which we obtain our help is almost impossible. It would take all the evening to name them.

First and foremost must come the Hospital Carnival, one of the

finest events of its kind in the country.

The Sunday Schools Procession is always a most pleasing event, and is one which always reflects great credit to the teachers of the various Schools, the parents of the Scholars and the Scholars themselves, who take such a great interest in the event, and which is looked forward to by the citizens of Coventry generally. Two cots have already been dedicated to the Hospital by the Funds collected from this source, the cot last year being dedicated by Adjutant Flett, and unveiled by his wife, Mrs. Flett, of the Coventry Salvation Army, as a slight recognition of the great help the Salvation Army have given us during the whole of the time these Sunday Schools Processions have been held on behalf of our Fund.

The collection of Tinfoil has now become a profitable source of income to the Hospital. The Committee are hoping soon to be able to endow a cot at the Hospital from this special effort. Citizens of Coventry and District are specially asked to help in this direction and tinfoil may be left at any time at the Hospital

Saturday Offices.

We are most grateful to the Surgical, Medical, Nursing and Clerical Staffs at the Hospital for the very kind help they have given us. We very much appreciate it, and naturally could not do without it.

We will not refer to the very necessary extensions required at the Hospital to deal with the large waiting list of our fellow citizens, anxiously waiting for treatment at the Hospital, as this will be more efficiently dealt with by the Chairman, Mr. Cyril D. Siddeley and Councillor Ivens.

We are greatly indebted to Mr. Wm. Johnson, C.C., Mr. T. Cooper and the members of the Bedworth Committee for the kind interest they are continually showing on behalf of our Fund. To everyone who helps us and whom we have not mentioned we say

"Thank you."

The amount to be handed over this year is £22,500. This does not create a "further record," but makes a total of £278,657 19s. 5d. subscribed from this source since the commencement of the movement in the year 1873.

We do not forget the great help the Press have given us.

On behalf of the Committee:

W. J. Pettifer, Chairman. G. Hadfield, Vice-Chairman. Thos. Nichols, Secretary.
